Ara graduate

Health Sector

When you choose to study a health-related subject at Ara, you'll learn in a supportive environment and be among the most sought-after health graduates in the country. During your course you'll form strong relationships with your tutors, who are each registered and currently in practice. Hands-on learning is our focus and this is supported by excellent facilities (such as clinical practice units, scrub bays, laboratories, SIM pads, mock home environments and programmable mannequins) and extensive work placement opportunities.

Potential careers: Enrolled nurse, registered nurse, midwife, radiographer, pregnancy and childbirth educator, osteopath.
