You must complete this in addition to the Admission and Enrolment form. Your application will not be processed until you have submitted the Admission and Enrolment form and all additional requirements.

Description	Evidence provided (certified copy)	Tick	
Educational qualifications	NCEA, UE, other qualifications	Yes	No
Personal attributes	Curriculum vitae: applicants are to provide a recent CV demonstrating previous experience of working with animals	Yes	No
	Referee report: provide ONE referee report demonstrating an aptitude for working with the public – from an employer where the applicant has worked with the public (eg retail) or from a teacher attesting to social skills (download Referee Report 1)	Yes	No
	Personal statement: applicants are to provide information outlining why they wish to pursue veterinary nursing as a career, answering the following questions (page 2)	Yes	No
Practical requirements	Due to the practical nature of the programme the applicant must be able to carry out physical activities within the animal room and work placement to fulfil the requirements of the programme. Applicants must have no objection to working with animals, dissection of animal body parts, body fluids and cadavers.	Yes	No
Consent to Disclosure of Information	Changes to government legislation may require police vetting for registration as a veterinary nurse after qualification. If you consider that this may be an issue we recommend you discuss it with a course tutor prior to entry. You can view the New Zealand Police Vetting Service (NZVPS) Request and Consent form and see further information on the New Zealand Police Vetting Service on the New Zealand Police website.	Yes	No

Personal statement questions

Describe what discussion you have had with veterinarians, veterinary nurses, veterinary nurse assistants, rural animal technicians or other professionals in the veterinary field about choosing this career:

Describe what you consider your future role as a veterinary nurse will be:
