Korero Nui - Important Information

Programme Information Handbook

This handbook is heavy on detail and sometimes quite formal. There will be things you want to know and other things you will only refer to when something comes up.

Here are some quick highlights of what is in the following pages:

- The detail and the rules about the qualification you have enrolled in
- Ara's expectations about how you will behave and what your rights are
- How Ara checks that you are a genuine student (like your attendance)
- A quick access guide to getting support
- How assessments work and the grades that are used
- The assessment regulations that could support you to pass and what forms to use (extensions, resits and more)
- Getting your results and going to graduation
- Key academic policies
- Health and safety information related to your study
- any after hours access arrangements

Ask your kaiako/tutor or Operations Administrator if you need help to find the information you are looking for.

Ākonga/student Information Handbook

We recommend that you read your Programme handbook in conjunction with the [Learner Information Handbook](#) on MyAra.

Health and Safety

Please refer to the [Learner Information Handbook](#) for general Health and Safety information and evacuation details. In an emergency advise a kaimahi/staff member, and if no one is available phone 111.

For more detail about your Faculty's requirements and afterhours arrangements please read the **Kā tū whare – Facilities** section of this handbook

Attendance

Experience has shown that if you attend regularly and participate in the class activities and assessments you are more likely to succeed. Full attendance and commitment are encouraged. You are expected to be punctual and must comply with the various behaviour and safety requirements of classrooms, workshops and labs.

For an International ākonga/student satisfactory progress is defined as 100% attendance and successful completion of 75% or more of your courses.

**Let Ara know when you are absent from classes or if you are sick.
Contact your kaiako/tutor or advise the faculty by emailing
creativemedia@ara.ac.nz**

Non-Engagement

Ara has processes to deal with ākonga/students who formally enrol here but do not “engage” with their studies. That is, if you do not attend and/or participate and/or submit assignments and/or sit assessments or only attend briefly or spasmodically and/or do not engage significantly.

Our faculty process follows these steps if you are a no-show at the start of teaching:

- 1** We will attempt to contact you 3 times and if we are not successful, we will withdraw you (1) within 3 days if there is a waitlist of other ākonga/students who want to enrol, or (2) within 10% of the length of your enrolment (often 1 – 2 weeks)

- 2** You will receive an email, text or phone call asking why you have not been attending

- 3** There will be no academic or financial penalty from Ara but you could be overpaid by StudyLink

Our faculty process follows these steps for disengaged ākonga/students:

- 1** The registers are checked and if your engagement and attendance is a concern, we will talk with you

- | | |
|---|--|
| 2 | You will receive an email or phone call asking why you have not been attending. You may receive a non-engagement letter |
| 3 | We will attempt to contact you 3 times |
| 4 | You may be placed on a Formal Academic Contract or withdrawn |
| 5 | You will receive a WD grade (after 10% of the duration of the course) or a DNC grade (after 80% of the duration of the course) |

If you are struggling with attendance, we fully encourage you to talk this over as soon as possible with your kaiako/tutor.

Drugs and Alcohol

In line with the expectations of many workplaces, Ara has procedures to ensure the health and safety of all ākonga/students, kaimahi/staff and visitors, while undertaking Ara activities.

Ara has **zero tolerance** for the misuse or abuse of alcohol and/or illegal/controlled drugs, possession and/or use of illegal/controlled drugs/substances, or intoxication on all campuses/learning sites.

Many learning activities involve high-risk situations where clear thinking, decision-making, and machinery operation need to be conducted safely. These activities cannot be compromised.

You can download the policy from [CPP506 Drugs & Alcohol Policy](#).

Artificial Intelligence (AI) Tools

When submitting work for assessment, you must adhere to Ara's Assessment and Academic Misconduct policies and not present AI such as ChatGPT as your own work. Learning Services have resources to help you learn to paraphrase or reference another person's work to avoid academic misconduct.

For more detail, please read the **Kā ture me kā tikaka - Policies & Procedures** section of this handbook [Policies](#).

We recommend that you read your Programme handbook in conjunction with the Learner Information Handbook (also available on MyAra) which has more detailed information about support and services available to ākonga/students at Ara.

Our Access to Your Work

We may contact you to discuss the right to copy, reproduce, and use your ākonga/student work for promotional and education purposes for Ara.

Kā tika me kā kaweka o te tauira - ākonga/student Responsibilities and Rights

Ākonga/student Responsibilities and Rights

The Ara community consists of a diverse range of people and cultures, and we respect all members of our community. Our aim is to have a community where ākonga/students respect themselves and others, a community where healthy social interactions and academic pursuits are expected. To create and maintain the best possible teaching and learning environment, you are protected by basic rights and are expected to respect the rights and responsibilities of others.

These can be viewed in the [Learner Information Handbook](#).

Kā Taunakitaka Mōu – Support for You

The Education (Pastoral Care of Tertiary and International Learners) Code of Practice sets out the expectations that tertiary education organisations need to consider how their overall systems and resources support ākonga/students' wellbeing and safety.

For more detailed information on the code, please refer to the [Learner Information Handbook](#).

Kā Aromatawai - Assessments

Assessment Information

At the start of each course, you will be given a **Course Outline**. Before each assessment you will be given an **assessment brief**. They will show:

The number, type, and due dates for all assessments, including tests and assignments, and will give you details on:

- The weighting of each assessment in your course that contributes to your final grade, if applicable.
- The assessment policy for resits, second results and alternative assessments, if they are different from the policies in this document.
- The time frame for getting your marked assessments back from kaiako/tutors, if they are different from those stated in this document.
- The penalties for handing assessments in late, if they are different from those stated in this document. These may be different for each course.

If you do not receive this information, talk to the course kaiako/tutor or Manager/Programme Leader.

Assessment Types

Formative assessment	Verbal and written feedback that takes place throughout classes and the programme.
Summative assessment	Assessments throughout the year that are based on learning outcomes for the course and determine how well you have achieved each outcome. You are given grades and written feedback. These assessments may include practical tests and projects.

The contents of the course work will be explained by the kaiako/tutor for each course. If at any point your kaiako/tutor or Programme Leader is concerned about your progress, they will let you know.

Academic Integrity

Ara requires ākonga/students to be honest and act with integrity in their learning and assessments.

You are required to:

- present your own original work for assessment
- acknowledge contributions from other sources by using the referencing format required for the programme (failure to do this correctly may be regarded as plagiarism); this includes direct copying, paraphrasing, summarising, and the rearranging of, another person's words or idea/s
- not cheat in tests or examinations
- ensure you follow all instructions and the correct procedures (e.g., no use of mobile phones or personal electronic devices)
- not enter into any agreements with other ākonga/students to collude on assignments
- collaborate only as permitted
- not over- or misrepresent the individual contributions of members of any group assignment
- not knowingly help others to cheat
- not present another person's assessment as your own (this includes purchased assessments)
- not act or behave in a way that prevents others from completing their assessments
- keep written and electronic work secure to prevent others from accessing and copying work.

Any exceptions to the above are clearly stated in the information and requirements for the course.

By enrolling at Ara, you agree to your work being reviewed by various means to confirm an assessment is your own work. This includes the use of similarity detection software.

Any breaches of academic integrity follow the process set out in the academic integrity procedures. For more detailed information, please refer to the [Academic Integrity Policy](#).

Submitting Your Work

Your kaiako/tutors will let you know if they have guidelines for presenting your assessments and how to submit your work. Use a computer to create your assessments.

You may be required to submit your work manually or electronically. All assignments must include a completed cover sheet. These are found in JZ123 with Sharon. The physical drop box is in the foyer area of JZ Block by the Mobil Street entrance/exit door.

If you submit your work electronically, keep a copy until your official results are published at the end of the semester. If you have any questions, contact your kaiako/tutor.

Note: Ara uses as part of its assessment processes electronic plagiarism detection. You will, from time to time, be required to submit assessments for scanning. Electronic copies of assessments must be retained by you until the official results are published after the end of semester or year.

Quality Assurance

Your assessments and exam scripts may be used for internal and external moderation, monitoring, programme reviews, aegrotats, and the resolution of academic appeals and complaints. This helps Ara meet internal and external academic quality assurance requirements. If your assessments are used this way, before they are used, any information that could reasonably be expected to identify you will be removed.

The Grade Scale

The various assessments within a course will be combined according to the weightings shown in the course descriptor, and a grade for the course as a whole will be assigned from the table shown below. A "C-" grade and above represents a pass for the course.

The following grade scale (G29aa) will be used for all courses on the programmes unless advised otherwise in the course descriptor:

Kā putaka me te Whakapōtaetaka - Results & Graduation

Accessing Your Results

Results of assessments will be returned to you within ten (10) working days of your assessment due date. These results may be returned to you in class or online.

Final grades for each course will be available online within fifteen (15) working days of the end date of the course and accessible through [MyAra](#) or through the MyAra app.

Any results displayed publicly will use unique identifiers such as ākonga/student ID numbers, not ākonga/student names.

Note: kaimahi/staff members are under no obligation to advise you of your final grade for a course. After you have completed all the assessments in a course, we ask that you allow the kaimahi/staff time to complete the marking. At the end of semester kaimahi/staff members are under great pressure to submit final results to Academic Records so that they can be processed and then made available to all ākonga/students as soon as possible.

Academic Transcripts

If you require your results to be printed, visit Central Academic Records (CAR) in A121 or email academic.records@ara.ac.nz to request a transcript.

Access to marked assessments

You are entitled to access your written work submitted for assessment.

Where assessed work is to be returned, time limits for collection will be advised by the faculty.

You may view copies of your examinations, but these are retained by Ara. Any time or access limitations will be advised by the faculty.

Please note that in order to meet internal and external academic quality assurance requirements, ākonga/student assessments and examination scripts may be used for the purposes of:

- internal and external moderation
- programme review
- aegrotats (if available)
- resolution of academic appeals and complaints

Assessments used for these purposes will have information, which could reasonably be expected to identify the individual removed before they are copied and used.

Receiving Your Qualification

Once you have successfully completed your approved programme of study you will receive a notification advising you that your certificate is ready and will be posted to you.

Note: Please make sure your address details are up to date when you finish studying. Advise Academic Records if you are updating your address details after you receive the notification, so the correct address is used.

Graduation

We hold several graduation ceremonies.

If you're eligible to graduate, you'll receive a communication from Ara advising you of this. You'll need to complete the online graduation form, by the date indicated, to register for your ceremony.

Note: If you believe you are entitled to graduate and do not hear from Ara please contact the Faculty Administrator or Academic Records.

For all information on graduation, including dates, please see [Graduation](#).

Kā ture me kā tikaka - Policies & Procedures

Academic Policies

All policies are accessible on the Ara website [Ara Policy Library](#). Ara provides a student advocacy service.

It is well known that people learn better when they work together, and this is encouraged, but when it comes to assessment, collaboration (working together) is not permitted unless it is a formal part of the assignment set by the kaiako/tutor(s). You are also responsible for making sure your work is not able to be copied by others. Sharing or comparing tests, exams and assessments is prohibited and, if detected, will be treated as “academic misconduct”.

Academic Support and Progression

Support is available if you, as an ākonga/student, are having difficulty meeting academic standards or you seek guidance, assistance or support with study related matters.

If you are not achieving satisfactorily, you will receive specifically targeted advice and assistance at an early stage.

Academic kaimahi/staff members will work with you if you are not meeting academic standards to document and implement a plan. This will include identifying and monitoring goals, expected academic progress, timelines and support.

If satisfactory progress is not made then you will be invited to meet with the Portfolio Manager or his/her delegate, who will explain the circumstances, discuss the consequences, and give you the opportunity to present your view of events leading up to the meeting. Depending on the outcome of the meeting, a Formal Academic Contract may be entered into.

Formal Academic Contract

If your progress as a ākonga/student in a current course is still considered by kaiako/tutors to not be satisfactory you will be invited to a meeting and advised in writing by the Portfolio Manager or delegate.

The Formal Academic Contract will record the deficiencies or concerns, the progress which must be met, any assistance available, the time within which

progress or change must be demonstrated, and the method and criteria by which such progress or change will be measured.

For more information about Academic Support and Progression, see [Academic Support and Progression](#) - scroll down and find 3.3 Formal Academic Contract.

Academic Misconduct

Cheating, plagiarism and other dishonest academic practices have serious consequences in this programme and if you fail to meet academic standards you, as an ākonga/student, may be subject to educative processes or penalties.

Plagiarism

Copying, taking or using someone else's work or ideas and presenting them as if they were your own original work or thought, without clear acknowledgement of the actual source.

Use of Artificial Intelligence (AI) Tools

Generative Artificial Intelligence (AI) services such as ChatGPT can be used for learning. When submitting work for assessment, you must adhere to Ara's Assessment and Academic Misconduct policies. In relation to AI, this means;

- you must not present any output from any AI services as your own work in your assessment.
- you must use your own words.
- if you paraphrase or quote from a source such as a textbook, website and AI service, you must reference correctly

If you submit an assessment using content copied directly from an AI service without acknowledgement, it is a form of academic misconduct.

Cheating

Acting deceitfully or dishonestly to gain academic recognition or an academic result. Examples include copying answers from another person's work, taking useful information secretly into a test or exam, improperly accessing information about questions and/or answers, arranging for someone else to produce an assignment or to sit a test or exam.

- a formal contract with Learning Services or other appropriate kaimahi/staff member for skills development including specific learning outcomes and timeframes
- additional work may be required

Penalties

These are actions designed to deter misconduct and/or deal with the consequences of it in a fair and appropriate way and may include:

- a decision not to mark or assess the work or record a mark/grade
- formally recorded fail / zero for the work concerned which remains on your academic record
- cancellation of credit already awarded if the academic misconduct is admitted/ established after assessments have been completed and recorded
- formal notice indicating 'Intentional Plagiarism' (or other misconduct) placed on academic record for a specified period of time.
- formal written warning
- probation or suspension from the programme or other penalty.

Ākonga/student Behaviour Management

If you are identified as a ākonga/student who displays unacceptable behaviour the faculty will monitor your progress and provide support at the earliest stage. This may include referral to Student Support Services to ensure additional support is provided to you.

If you do not respond you may be placed on a behaviour improvement plan This will include identifying, documenting, implementing, and monitoring goals,

expected behavioural progress, timelines, and support. If you do not meet the outcomes outlined in the behaviour management plan, you may be moved to probation.

Probation

If your behaviour, as an ākonga/student, is unacceptable and of concern to kaimahi/staff or other ākonga/students, you will be advised of this in writing by the Head of Department. This written warning is known as probation.

The written advice must briefly record the deficiencies or concerns, the progress or standards of behaviour which must be met, any assistance available, the time within which progress or change must be demonstrated, and the method and criteria by which such progress or change will be measured.

The progress or change required should be reasonable and the criteria for assessing whether the progress or change has been achieved should be easily understood and capable of being clearly demonstrated.

The written advice must include the warning that failure to make progress or achieve change may lead to suspension and/or cancellation of current enrolment(s) and/or refusal of future enrolment(s).

These requirements are known as the “terms and conditions of probation”.
